WHITE WINE BLEND

2019
CALIFORNIA

OUR UPSHOT

Upshot is the end result of our winemaker's passion for blending flavorful, deeply nuanced and unique wines. Exclusively from vineyards in California's best growing regions, our blends offer a sumptuous, almost magical outcome of the growing season and winemaking process.

We favor throwing out the rulebook and make time for the unexpected, allowing nature to take its course. Relying on intuition, we practice our craft with passion in celebration of a life well lived. We make wines that enhance the simple yet profoundly meaningful everyday enjoyment of a life in a fun and inviting way.

THE VINTAGE

After a relatively long and rainy winter, the 2019 growing season had a late start. Budbreak came about three weeks behind historical averages, though a moderate heat spell in late April pushed vine growth towards a more typical timeframe. Most of the season, from fruit set to harvest, was defined by dry, temperate weather which allowed for slow and even ripening. Crop yields were lower than average, resulting in pronounced concentration of flavors. We wrapped up the harvest season with a second heat spell in late September and, with everything in balance, harvested August 23 through September 21.

Tasting Note
This bright wine bursts with aromas of white peach, apricot and jasmine blossom with flavors of melon, peach and a wet stone minerality followed by a crisp yet full finish.
